Dear Parents/Guardians,

It's time for SPRING Registration!

Santiam Elementary would like to register your returning student for the 2019-2020 school year. If you complete your student's spring registration online you will not be required to attend our fall registration. To start the login process, **you will need your Parent Internet Viewer (PIV) code listed below by guardian.** This code is what attaches legal guardians to a specific student. If you do not have your PIV number, please contact your child's school office to get the code. Any registrations completed without the PIV code will be deleted. Please note that the Free/Reduced Lunch Program, Student Handbook, and District Handbook are not available to fill out/turn in until August.

To Login: Type into your browser the link:

<https://santiamcanyon.registar.lblesd.k12.or.us/en-us/home.aspx>

Q: You don't have access to a computer/internet? Come to our school and use one of our computers.

Thank you,

Santiam Elementary

503-897-2368
