

37th Annual
Santiam Canyon Alumni Tournament
November 10th – 12th, 2023
(Early Registration Notice)

Since 1986 it has been a tradition for members of the Santiam Canyon to participate in the Alumni Tournament. And it is time to keep that tradition going! Enjoy the competition, reconnect with old classmates, and help support the basketball programs at this year's 37th Annual Santiam Canyon Alumni Tournament.

A couple changes this year: ANYONE is eligible to sign up for basketball this year, men or women. It will be normal rules and teams will be organized the same way – based on class. **There will be registered OSAA officials for all basketball games** so please be respectful and treat them as such.

Who can participate? The tournament is open to all men and women who ever attended or worked at any school within the Santiam Canyon School District. That includes all schools from Mill City, Gates, Detroit & if you ever attended or were a staff member at the elementary school or middle school or never played on the high school team, you are still eligible to participate. There are several participants who just want to be a part of the tournament. We want and need you too!

This is an alumni tournament, but it is also a fundraiser to help teams raise funds for things like summer leagues, practice uniforms, etc. A lot of time and effort go into putting on this tournament. Any help you can give is greatly appreciated.

Over previous years, alums and others were very generous with donations, which really helped the teams, and we hope to continue with this again this year. If you would like to donate under one of the following levels of sponsorship, you could receive a charitable tax deduction from the school (as tax laws permit) and the following:

RED LEVEL SPONSORSHIP: \$250 donation = free admission for 4 to the tournament, 2 Santiam hats, and 2 beverages/2 popcorns per day at the tournament.

BLACK LEVEL SPONSORSHIP: \$100 donation = free admission for 2 to tournament, 2 beverages/2 popcorns per day at the tournament.

WHITE LEVEL SPONSORSHIP: \$50 donation = free admission for 1 to the tournament, 1 beverage/1 popcorn per day the tournament.

All sponsorships will have name listed on Tournament Sponsorship board.

***School Tax I.D. #93-0512657**

We want this to be a celebration for everyone attending, but as a fundraiser we are asking for help in any way you can. Ways to help out are: 1) participating in the tournament and getting others to also participate; 2) attending the games and visiting the concession stand; 3) by a donation to the tournament.

Please return completed registration form to the address below by mail or dropping it off or call in and register over the phone using your credit card.

If you would like to play but did not receive a notice or if you have questions please contact Hannah Thompson. Email: hannah@nedbaker.com or (503) 991-3099(cell).

How are teams formed? Except for a coaches/staff team, starting with the oldest player (graduating year) we will work forward until approximately 8-12 players (basketball) and 7-9 (volleyball) are on a team. We will try to group classes that are fairly close together, if possible. If any class has enough players to form their own team, they will be put together. The more who play the narrower the span of years between teammates.

Basketball Tournament Specifics:

- Everyone plays in every half.
- Each team will have their own colored tee shirts to wear during games
- Major emphasis on everyone playing lots of minutes (if they wish) and good sportsmanship!
- Captains or co-captains for each team to help assure playing time and good sportsmanship.
- Two 20-minute halves with stopped time for FT's and last 2 minutes of the game, if score differential is within 12 points.
- No pressing first half. (Ball must be controlled and "out-letted" away from the key area).
- Two timeouts per team per game.
- Other rules same as high school. You CAN foul out.
- No complaining about officials or arguing with them. They are as neutral as can be. There is also a statewide shortage of officials so be extra kind to them.
- A technical for unsportsmanlike conduct and you are out for the rest of the game. Two unsportsmanlike technical fouls (total) during the entire tournament and you are out for the rest of the tournament.
- We want this to be a positive experience for everyone and no one deserves to be yelled at. All participants are connected to Santiam so we should not be rivals but have friendly competition.
- There will be a 3-point contest at halftime (similar to previous years) with a prize for the winner.

Volleyball Tournament Specifics:

- Each team will have their own colored shirt to wear during games.
- Matches will be the best 2-3 games. A third game may be played (after one team already wins set) if both teams agree and time permits. Playing rally scoring to 25 points and must win by 2. Third game may be modified to 15 points (if there is a time restriction).
- Players will rotate in the following manner and depending on number of players. Players will always sub in at the server's position. To keep all players participating, if there is more than on substitute, the second player will rotate into the front row. No player should have to sit out more than one or two rotations.
- High school players will officiate games.
- There will be a serving contest for players between games.
