## 2024-25 Household Income Survey

Dear Parent/Guardian:

Schools receive certain federal and state funding (learning assistance programs, teacher incentives, etc.) when you complete this *Household Income Survey*. These funding sources may be based on the income level of the student's families.

This *Household Income Survey* provides your child's school a way to collect household income information. This information makes sure your child's school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

It is important that you complete this survey.

**Part 1. ELIGIBILITY:** Figure out your total household income. Then look at the income chart below. Find your household size. If your total household income is equal to or less than the amount listed for your household size, check the box.

**Income Chart**
